In response to the Office Action dated October 3, 2002, a Terminal Disclaimer is being filed herewith. Since this is believed to overcome the non-statutory double patenting rejection, allowance of the present application is in order.

However, it is noted that there is no record in the file of the undersigned attorney that the Information Disclosure Statement filed with the application has been considered. Therefore, a copy is being filed herewith. Consideration of each of the references listed on its 2 pages of Form PTO 1449 is respectfully requested. A return of the 1449s with the Examiner's initials is also solicited.
